1 INTRODUCTION

These Tender Submission Forms shall be completed in full by all bidders submitting a tender in response to the Invitation to Tender (ITT) for the GCT Infrastructure Project at the GYSBI Shore base (GSB).

This document defines the mandatory submission forms that bidders are required to complete and return as part of their tender submission. The forms are intended to ensure a consistent, transparent, and auditable tender evaluation process.

Failure to complete and submit all required forms, in the format issued, may result in the bid being deemed non-compliant and excluded from further evaluation.

2 SUBMISSION REQUIREMENTS

Bidders shall submit their tenders strictly in accordance with the requirements defined in this document and the Invitation to Tender (ITT).

All Tender Submission Forms shall be returned in the format issued, fully completed, and signed where indicated by an authorised representative of the Bidder. The form structure shall not be amended, altered, or reformatted.

Each Bidder shall submit the following as part of their tender:

- All completed Tender Submission Forms (SUB-01 to SUB-11)
- One (1) Technical Proposal
- One (1) Commercial Proposal

All submission forms shall be:

- Fully completed
- Signed where indicated
- Submitted in accordance with the instructions and deadlines defined in the ITT

Failure to submit any required form, or submission of incomplete, unsigned, or non-compliant documentation, may result in the bid being deemed non-compliant and excluded from further evaluation.
