REQUEST FOR PROPOSALS (RFP)

GY01-0025 – PERIMETER FENCING REPLACEMENT

1. INTRODUCTION

Guyana Shore Base Inc. hereby invites qualified and experienced bidders to submit proposals for **PERIMETER FENCING REPLACEMENT** for Guyana Shore Base Inc., Houston, East Bank Demerara.

2. PROJECT OVERVIEW

The Works comprise the removal of existing fences and replacement with perimeter and, where identified, internal HSAC fencing and associated gates. The replacement system shall be suitable for the hot, humid, high-salinity coastal environment of Guyana and resistant to deterioration caused by vegetation, corrosion, heavy vehicle activity, and normal port operations.

The Works shall be delivered under a single point of responsibility, with the Contractor coordinating all civil, security, electrical bonding, access-control interface, temporary works, QA/QC and handover activities required to achieve final acceptance.

2.1 Project Location: GYSBI Shore Base (GSB) and GYSBI Industrial Estate (GIE), Houston East Bank Demerara.

Site Location & Context

The Works shall be executed within the GSB and GIE site footprints. The site is:

- Actively operational
- Utilized by multiple third-party contractors
- Subject to heavy vehicle movement
- Exposed to tropical rainfall and high humidity conditions

At no point shall the perimeter remain unsecured by a physical barrier. Posting guards along an area where the existing fence has been removed is not sufficient unless used in addition to an approved temporary physical barrier.

Vegetation clearing required to execute the Works shall be included in the Contractor scope and shall not constitute a change in condition unless the Contractor identifies and records an exceptional obstruction during the pre-bid or pre-construction survey.

GYSBI_CT	073	0000
----------	-----	------

Minor SIMOPS conditions exist; however, no major shutdowns are anticipated. The Contractor shall familiarize themselves with site conditions prior to submission of their proposal and plan works to minimize operational disruption.

2.2 Reference Document: All engineering and QA/QC services shall be performed in accordance with: **GY01-0025-EN-SOW-001-01** – Perimeter Fencing Replacement Scope of Work & QA Scope of Work, including all associated specifications and drawings attached thereto.

3. 2027/2028 CAPEX PLANNING

This Request for Proposals is being undertaken to support GYSBI's 2027/2028 CAPEX planning and budgeting process.

The purpose of this tender exercise is to establish suitable technical solutions, validate project quantities, obtain competitive market pricing and develop an appropriate execution strategy for the proposed works.

The issue of this RFP does not constitute confirmation of project funding, award or immediate commencement of the Works. Final project approval, scope, phasing, award and execution timing will be subject to GYSBI's internal CAPEX approval and budgeting process.

The Works may subsequently be executed in full or phased across the 2027/2028 CAPEX period, subject to final approval.

4. REQUIREMENTS FOR EOI SUBMISSION DETAILS

- **Date published:** September 07th, 2026
- **Deadline for Submission:** October 07th, 2026

All submissions must be provided as separate PDF documents, as outlined below:

- **Document Attachments** - All submissions must be provided as separate PDF documents, as outlined below:
 - **Supplier Business Documents** – Certificate of Incorporation/Business Registration, Local Content Certificate (or proof of application/intention to obtain one). If no LC Certificate is available, please provide details of the company's ownership structure, GRA & NIS compliances, as well as any other relevant documents or certifications.
 - **Technical Proposal** – Required for **RFP** tenders.
 - **Commercial Quotation** – Required for **RFP and RFQ** tenders. Each cost must be presented as a separate line item, such as Item(s) Cost, VAT, Freight/Other Charges, and Transportation/Delivery, etc.

- **Specification Sheet(s):** Suppliers are required to provide specification sheet(s) where applicable.
- **Vendor Prequalification Assessment** – As part of the tender process, suppliers are required to complete **GYSBI's Vendor Prequalification Form** using the following link: **SC-FO-011-B: [GYSBI Vendor QHSE Pre-qualification Survey Form B](#)**
- **Submission & Clarifications**
 - **Proposals shall be submitted by email to: tenders.automate@gysbi.com and tenders@gysbi.com with the subject line:**

TenderID RFP GY01-0025 – PERIMETER FENCING REPLACEMENT

- **Clarifications & Queries:** All inquiries must be directed to the same email address listed above.

5. DISCLAIMER

Guyana Shore Base Inc. reserves the right to accept or reject any submission at its sole discretion and to proceed with the procurement in any manner it deems fit.

This RFP is being issued principally to support **GYSBI's 2027/2028 CAPEX planning and budgeting process**. Participation in this tender process does not guarantee award of a contract, and GYSBI makes no commitment at this stage regarding project funding, final scope, quantities, phasing, commencement date or award.

Any subsequent award and execution of the Works will be subject to GYSBI's internal approvals, approved CAPEX budgets and final project execution strategy.

We look forward to receiving proposals from suitably qualified contractors capable of supporting GYSBI in the development and potential future execution of this project.
